*Once again, the summer is over in a flash. College students are settling in, school bus stops are bustling and soon we'll return to our regular routine at church of two worship services, committee meetings, book and Bible studies, choir practices, youth group and God Squad. I hope you are as excited as I am! Looking back on the past 3 months, are you awed by what God can do in our lives in such a short time? Remember when you were children, how a week at summer camp or vacation could create life-changing insights and new best friends? That's been happening with our children and youth all summer! On our mission trip, for example, one youth started the week by saying, "I want to put myself out there, be a different person, and get involved." And she did! Just like that! Change happens for adults, too, but it might be subtler and more hidden within the distractions of daily living. Before we get on the treadmill of meetings, Bible study and to-do lists, let's pause. Be still. Think about the ways God molded and shaped your faith and heart this summer. Give thanks, with a grateful heart. Amen!*

## Twenty year Celebration for Eduardo is September 22!

Eduardo Azzati, Director of Music at Yardley United Methodist Church, joined our church on September 1, 1999. It was a banner day for us! For 20 years he has created a moving atmosphere of excellent music to enhance our worship experience.

We will be celebrating Eduardo's 20 year tenure on September 22nd between services. Please come down to Fellowship Hall to thank Eduardo for bringing our services alive with great music!

Eduardo, from Argentina, received his Master of Music degree from Westminster Choir college. While there he met the wonderful mezzo soprano and educator, Carole Burkhardt, who became his wife. They have 3 children, Lukas and Pablo, who are very active in baseball, and daughter Micaela, a sophomore at the University of Pittsburgh. We have watched these talented children grow up in our church and have enjoyed Mica's flute playing on numerous occasions in our services. We have also been moved by Carole's beautiful singing for us!

Eduardo has nurtured our children's voices, lead beautiful bell choir music, enlivened our Praise service and carefully chosen songs for the Chancel Choir. He is a very visible part of our Sunday mornings, playing the piano for both services, accompanying the choirs and the hymns and praise songs. But there are many things he does behind the

scenes to make our worship meaningful; putting together the Sunday projections, keeping summer music alive, choosing music carefully for the entire church year so that it complements the liturgy and enhances our worship experience every single Sunday of the year. He does it quietly and seamlessly behind the scenes so that our worship is meaningful, honest and compelling.

Eduardo loves God and YUMC and is committed to offering only the highest quality music to our Lord. We offer only the best to those we love. Eduardo has been a "good and faithful servant" as he has lead us to praise and thank God for all He has given us. In turn, let's celebrate Eduardo, showing our love, and thank him for 20 years of amazing music and worship at YUMC!

**Please join us in Fellowship Hall on September 22nd at 10:00 am to thank Eduardo for his "gifts of music." Feel free to bring him cards of gratitude.**

In early August, YUMC hosted a group of Methodists from Ohio who are on a bicycle trip to raise money for mission.

This group, "The Pedaling Parsons," has raised \$900,000.00 for mission over the past 33 years. Yet another way our building is used for the furthering of God's Kingdom!

**Pastor Ken from the Pedaling Parsons sent this note of thanks:**

*Dear Rev. Cynthia and Yardley UMC Congregation:  
Thank you for your hospitality. The Pedaling Parsons always appreciate churches accommodating us.....We enjoyed having dinner with you and your husband. We were grateful to experience the D&L Trail [Delaware and Lehigh Trail] and meet you, the people in your church and in your community.*

*Yours truly, Ken*

## A Reflection on Sharing ....

by Joyce Lee

Summer's practically over.... and the major events of YUMC's summertime activity, MyCalling! and the Senior High-Adult Mission Trip to Milwaukee, Wisconsin are now satisfying memories to be savored and an impetus to continue praising and serving God by responding to the needs of others. At the Mission Trip Celebration on August 11 in Fellowship Hall, we saw pictures and heard both youth and adult participants talk about their experiences there. (Look for related articles on our Missioner' reflections elsewhere on this and the next page.) The missionaries are aware that when they go into communities to serve others, they are there on behalf of all of us back here at YUMC.

Our youth program is strong in spirit and purpose. It has loyal parental and lay support, and it's leadership is caring, committed, and focused on living out Jesus's message of loving God by loving and serving others in need. Our youth program serves as a model for the rest of us to be engaged in reaching out to others in helpful and loving ways.

Meanwhile, "back in the 'hood," congregation members are also serving others in a variety of ways, both within the church and beyond its walls. From within, members and attenders, guided and supported by our staff persons, volunteer to serve on committees that direct our day-to-day program of ministry, provide refreshments for our weekly Fellowship Coffees, cook meals for the programs MyCalling!, Family Promise, and Grace Café in Philadelphia, volunteer as Prayer Partners to support our Mission Trip participants with daily prayers and gift bags, make monthly donations to local food pantries, serve food and tutor students in preparation for their high school equivalency exam at a soup kitchen, buy gift cards for clothing and school supplies for children in transitional housing, participate in interfaith and Peace Center gatherings, and other programs that YUMC either creates or promotes. A member planted the beautiful summer flowers by the entrance ramp for all of us to enjoy each week. Others participate in a bi-monthly Work Day to keep our church building, grounds and parsonage repaired and well-maintained.

Still others at YUMC feel personally "called" to share their skills, time, possessions, and financial resources beyond the community of the church family, within the larger community. Two persons from YUMC volunteer at United Methodist camps for one or two weeks each summer, one, as a camp nurse, the other, as a counsellor. Another works at a local organic farm, helping to weed, plant and harvest crops and promote the concept of sustainable farming. Someone volunteers to repair and maintain used medical equipment (wheelchairs, walkers, etc.) for loan to disabled persons. Members volunteer at AHTN (Advocates for Homeless and Those In Need) to help operate the Code Blue program that provides overnight shelter for homeless persons on extremely cold nights. A member, a military veteran, volunteers with an organization whose mission is to keep World War II veterans socially "connected". He writes their monthly newsletter and researches military records of veterans, when requested by family members. Then, there are those who represent the church by serving as Executive Board members and volunteers in local non-profit organizations.

Our building is a mission partner, too. It's a valuable asset that we share with the local community by providing a meeting space and kitchen facilities for several

## Reflection on the Milwaukee Mission Trip

by Denise Harris

At the end of July, 18 people representing Yardley UMC left for Milwaukee for a week with Next Step Ministries.

We selected Milwaukee because it is a mission site with a different focus. While most trips are 80% construction, 20% relational, Milwaukee was 60% relational, 40% construction.

We were split into two crews. The first crew worked on building a fence for a family in the morning and in the afternoon organized sports activities for the kids of the community.

The other crew worked in the morning with the Salvation Army making 1700 sandwiches for kids. In the afternoon they continued their work with the Salvation Army by leading a VBS for kids in different neighborhoods.

The week gave us all the ability to step out of the comfort of our own lives and to learn from others. One thing we all were amazed at is the amount of people in need in Milwaukee. We also were amazed at the people serving year round in Milwaukee.

I am thankful that we had this opportunity to work at an inner city Mission trip.

In the weeks, months and years to come, I am excited to see the impact this one week has on the team as individuals and on our community.

We can not thank the church enough for taking this journey with us and helping us experience this very different mission experience!

## MyCalling! 2019 at Yardley UMC

July 14-18th MyCalling! was held with 81 youth and adult leaders at Yardley UMC along with 32 volunteers serving as Site Directors and in the Kitchen, giving us 113 involved...but wait! There's more! Another 63 people served through MyCalling! at Morrisville UMC for a grand total of 176 at MyCalling! Missions 2019!

While the numbers are fun to share, the real story is in the ministry, which is twofold:

**1) Service** - The MyCalling! Mission Trip of Yardley provided the opportunity for middle schoolers to experience a variety of missions and impact the following people and organizations in our community: Anchor House, Furniture Bank, Camp Mercer Kids Camp, Holmesburg UMC, Penndel Pantry, the Maker's Place, Snipes Farm & Education Center, Statesman Health & Rehab, White Pine Farm, and the home of a YUMC family member. Our crews worked hard and learned they are not too young to make a difference and to put God's Word in action.

**2) Student Leadership** - 36 high school students participated in training that ran from Friday night to Sunday afternoon in preparation for MyCalling! They learned to lead crews, lead Worship, and to work as true Servant Leaders. The team was made up of youth from 4 different churches in 3 different states, many of whom first encountered MyCalling! as middle school participants. During worship it was shared how they have grown to love missions and have shifted their life focus because of their time at YUMC's MyCalling!

We give thanks to God for another safe and successful summer at MyCalling! We can't wait to see what He has in store for this growing ministry! God is Good! All the Time!

community organizations: Creative Parenting, Boy Scouts, several 12-Step programs (Alcoholics Anonymous, etc.), and, occasionally, others. Our all-volunteer Board of Trustees has the responsibility for planning and scheduling repairs and upkeep of our building, and we are grateful for their constant and fine attention to this task.

There are so many opportunities for each of us to put our skills and resources to work, in ways that help those who need a helping hand, both within and beyond the confines of this church building. We all are gifted in some way ...with skills, opportunity, time, possessions. And, sharing those gifts brings personal fulfillment and God's blessings to our lives and to those with whom we share. In my experience, "serving" is really "sharing," and never a "one-way street;" we always receive something of value from the one with whom we are sharing.

## Congratulations Erica!

MyCalling! Ministries is excited to announce the hiring of Erica Lipton as Director of MyCalling!

Erica has over 10 years of mission experience; serving with two national organizations as well as participating in numerous missions trips as a youth. She spent two summers working as a Next Step Staff in West Virginia and Texas and then one summer with CSM in Philadelphia. During her time with those two organizations, Erica was responsible for planning and leading daily worship services, interacting with the local communities, identifying mission projects, managing the budget and more.

Erica recently graduated from Temple U where she majored in film and minored in business.

Erica's responsibilities as a MyCalling! Director will include fund-raising, supporting new host churches of MyCalling! mission trips, training staff and student leadership as well as positioning MyCalling! for continued growth.

We are blessed to have Erica's experience, leadership and natural ministry gifts as we begin to follow God's leading and expand our mission. We feel especially thankful to the Lord for Erica's presence because she was one of the three original founding students that created MyCalling! 6 years ago and helped make their idea come to life.

Erica will work alongside MyCalling! coordinators, Kelly Rymer and Ashley Kile, and Denise Harris, MyCalling! Director. This team, along with the student leadership, is excited to go where God leads! Erica's part-time salary will be covered by MyCalling! Ministries.

If you would like to support MyCalling!, please donate on the church website or write a check to MyCalling! If you would like to serve on the Advisory Board, please email [mycallingministries@gmail.com](mailto:mycallingministries@gmail.com)

Thank you for your continued support and prayers for MyCalling! Ministries.

## YUMC hosted the July 25th meeting of POWERBucks Assembly...next meeting is Sept 5

POWER Bucks Assembly is an organization of Bucks County faith communities whose purpose is to address problems of racial and economic injustice in our communities.

Formed in the Spring of 2019, already, POWER Bucks Assembly has identified a number of issues of social injustice, teams have been formed, based on topical interest, and they've been at work to research information that will allow them to move on to the next step: to propose solutions that can alleviate or correct these injustices.

**POWER Bucks Assembly meets next on September 5<sup>th</sup>, 6:30 – 8:30 p.m., hosted and held at:**

**Linconia Tabernacle Christian Center  
2460 Paris Avenue, Feasterville-Trevose, PA 19053  
Food and childcare provided**

On September 5<sup>th</sup>, each research team will share campaign ideas and prepare members to bring those ideas back to their congregations to learn what their congregations are willing to do in order to build the grassroots power needed to bring about change in Bucks County. Research teams include:

- Economic inequality
- Mental Health & Addiction treatment access
- Police profiling, Immigration Detention and Incarceration
- Hate: Racism, Islamophobia, Antisemitism
